

Entry-Level Professionals

Sendero is seeking talented individuals to join our team as entry-level Associates. Our Associates are active members of project teams and are responsible for owning and leading deliverable-based work efforts. Sendero strives to create an environment where each employee feels valued, challenged, and rewarded. We focus on ensuring all our consultants receive the necessary training and gain the experience to be well-rounded within all our service lines.

Responsibilities

- Provide key contributions to deliverables and detailed analysis
- Apply industry, business and technical knowledge to achieve individual project expectations and support project team objectives
- Consistently meet or exceed client expectations to enable future opportunities
- Build and maintain professional and personal relationships while proactively growing network
- Build knowledge and skills quickly and continuously to effectively deliver on client commitments
- Grow professionally by leveraging knowledge from on-the-job experience, Sendero team members, and training opportunities
- Participate in recruiting activities and provide input into hiring decisions
- Contribute to internal projects and work groups
- Share information to build knowledge capital
- Effectively communicate a general understanding of Sendero's business and Pathworks™ service offerings

Qualifications

- Bachelor's degree required
- GPA 3.0 or above
- Proven work ethic and leadership experience
- Ability to work independently and with small teams
- Excellent communication (written and verbal) skills
- Strong interpersonal skills and ability to think critically

Achieve your potential by joining the Sendero team.
